LOS ANGELES, MAY 18, 2015 – One Rock Capital Partners, LLC (One Rock) announced today that it has formed Monarch Landscape Holdings, LLC (Monarch) to pursue a regional consolidation of landscape services companies in the Western United States. On May 1, 2015, Monarch acquired the assets of Signature Landscape Services, Inc. (Signature), in partnership with Monarch’s CEO Brian Helgoe and Signature’s General Manager William Bailey. We are excited about the investment and are actively seeking acquisition opportunities in Washington, Oregon and California as part of our strategy.”

One Rock Partner Kimberly D. Reed added: “Signature’s management team has built a strong platform and reputation in the landscaping services industry. We look forward to working with Mr. Bailey as we continue to grow the business. In addition, Mr. Helgoe brings a wealth of landscaping knowledge to Monarch and a proven ability to generate organic growth while improving margins.”

Mr. Helgoe is an experienced operator and executive in the commercial landscape services industry. Mr. Helgoe has over 20 years of landscape experience, most recently as a Senior Vice President with ValleyCrest Companies. Signature’s General Manager William Bailey commented: “Over the past 14 years Signature has built a team of professionals whose service to the industry and to our customers has created real value. We have found in One Rock a team that appreciates people, which is key to our continued success. We are excited to have their guidance and perspective as we enter this next chapter of growth and development.”

Brian Corbett, Managing Partner at CCG Advisors, said: “We are very excited to have led this transaction for the owners of Signature, and we are pleased to be working with One Rock on their initial investment into the commercial landscape industry.
